

ADVANCED MOUNTAINEERING SCHOOL Course Details and Application – Winter 2012 Boulder Mountaineering School, CMC Boulder Group

- keep this page for reference -

Dear AMS applicant:

This winter will mark the fifteenth session for the Boulder Advanced Mountaineering School. The purpose of AMS is to train people to successfully plan and do their own winter mountain climbs and trips to high mountains where winter conditions prevail.

Application Process: Enrollment in this program is on an application basis. It is anticipated that sixteen applicants will be selected to participate. This is an advanced program and applicants are required to have met minimum standards including: the completion of Boulder's Basic Mountaineering Course (BMS) or Basic Rock School and BMS Snow; the completion of the BMS Optional Intermediate Snow Practice or equivalent training in crampon technique, basic knowledge of placing and using rock climbing anchors and protection; adequate physical fitness; successful climbs of fifteen peaks including one high peak with snow requiring the use of an ice axe; backpacking experience; completion of five rock climbs; CMC membership; and participation in winter activities. Applicants must be able to attend all lectures and field trips. **Applications should be received by Monday October 31, 2011.** If space is still available after that time, applicants can still apply through November 30, 2011.

Curriculum: The School will consist of four field trips and six lectures. Two of the field trips involve overnight camping in harsh winter conditions. Two other field trips are day trips that require early 4:00am start times. The dates and field trip activities are indicated below:

Field Trip 1 - Sat., Jan. 28, 2011, Crevasse rescue and glacier travel.

Field Trip 2 - Sat. and Sun., Feb 4-5, 2011, Snow shelters and winter camping.

Field Trip 3 - Sat. or Sun. Feb 11 or 12, 2011, Ice climbing and use of fixed lines.

Field Trip 4 - Sat. and Sun/Mon. Feb 18-19/20, 2011, High peak climb with winter camping.

Lecture dates are on Tuesday evenings from 7:00-9:30 P.M:

Jan. 10, 2011 Jan. 17, 2011 Jan. 24, 2011 Jan. 31, 2011 Feb. 7, 2011 Feb. 14, 2011

Post Trip Discussion/Party: Friday, February 24, 2011.

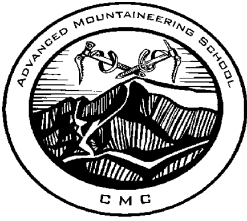

Required Equipment: You will need to obtain the following equipment to participate in the field trips: helmet, ice axe, crampons, snowshoes, shovel, BMS climbing gear, winter sleeping bag, plastic boots, and winter mountaineering clothing and gear. AMS will provide: ropes; ice tools; snow pickets; snow saws; ascenders; and ice screws.

Cost: The cost of AMS is \$125.00 and you will need to include a check or money order made payable to **Boulder Group-CMC** with your application.

Application: If you are interested in applying for the AMS, please complete the enclosed application and mail it with your check to **CMC/AMS, Table Mesa Shopping Center, 633 South Broadway, Unit N, Boulder, CO 80305** by October 31, 2011. You will be notified of your status by November 3, 2011. If space is still available after that time, applicants can still apply on a rolling basis through November 30, 2011.

If you have any questions regarding the school or qualifications for the school please contact the director **Val Hovland** at **720-331-0626** or **ams@cmcboulder.org**

--Advanced Mountaineering School Committee

**ADVANCED MOUNTAINEERING SCHOOL
APPLICATION**
Boulder Mountaineering School, CMC Boulder Group

Thank you for your interest in the Boulder Advanced Mountaineering School. This program has an advanced curriculum and all participants are required to have met minimum standards. **Participants will be selected on an application basis so it is very important for applicants to complete this application thoroughly. Applications being incomplete, misleading, late, unsigned, or missing payment may result in the applicant not being considered.** If you have not completed a required school etc. but have equivalent experience please provide a detailed description of that experience. If you have any questions regarding the minimum requirements, or what may be considered equivalent experience please contact the director, Val Hovland [720-331-0626 or ams@cmcboulder.org]. Selected applicants will be notified by Nov 3, 2011. If space is still available after that time, applicants can still apply through November 30, 2011.

Name: _____ CMC Group: _____

Mailing Address: _____ City: _____

Zip Code: _____ Email: _____

Telephone: Home: _____ Work: _____

Will you be a CMC member in good standing through March 2012? Yes / No

Do you own or have access to the equipment required for this course?
(as specified in the accompanying application letter) Yes / No

Will you be able to attend all lectures and field trips? Yes / No

Is it OK to publish your phone/email on a student roster for other students? Yes / No

Have you taken an avalanche course? (**Note: Not required, but strongly recommended!**) Yes / No

1. Basic Mountaineering Training. (required). Please list the name of the CMC group or other organization offering the course. If you did not attend a CMC Basic Mountaineering Course, please attach a detailed summary of your equivalent training or experience. If you took BRS and SNOW, please specify both times and instructors.

Basic Mountaineering Course: _____ CMC? Yes / No

Year: _____ Instructor: _____

2. Crampon Experience. (required). If you did not attend a CMC crampon practice (i.e. BMS intermediate snow, BMS Ice Climbing Field Trip, AMS Hard Snow Practice, Denver Crampon Practice etc.), please attach a detailed summary of your equivalent training or experience using crampons.

Crampon Course: _____ CMC? Yes / No

Year: _____ Instructor: _____

Do you own crampons? Yes No

Have you done CMC or non-CMC crampon climbs? Yes / No

3. Technical/General Peak Climbs. List peaks you have climbed with approximate elevation and month/year climbed (i.e.: Meeker, 13,900 ft, 7/04), as per the following:

- a) List one peak that you climbed which required the use of an ice axe on snow. If it was a CMC climb list the leader in section 8. *(required)*.
- b) List at least 14 additional peaks you have climbed. *(15 peaks minimum required)*. List CMC, expedition, high altitude, winter peaks, and crampon climbs first. Peaks may be repeated if climbed more than once.

Peak Climbed	Month/Year	Elevation	CMC Trip?	Expedition, High Altitude, Winter?	Snow (Used Ice Axe)?	Used Crampons?	Technical Rock/Snow (Used rope)?	Peak Climbed	Month/Year	Elevation	CMC Trip?	Expedition, High Altitude, Winter?	Snow (Used Ice Axe)?	Used Crampons?	Technical Rock/Snow (Used rope)?
