New Trips Section On Website
Check out the New ‘Trips’ Section in the Boulder Group Website! A “Trips” section has been added to the Boulder Group’s website that describes the newly revised trip leader approval process and other trip-related topics such as how to find, sign up for and submit trips. Go to www.cmcboulder.org and then click on “Trips”. Highlights include 1) approval for any trip type automatically includes approval to lead A/B hikes; 2) changes to the approval process for rock climbing leaders; 3) changes for trip co-leader requirements; 4) and documentation on the process of how to become a trip leader.

CMC Members on Everest
Val Hovland is off to climb that really big mountain in Nepal! You can sign up for emails on either of the following sites (but the IMG site is quicker). The blog: monty-val-everest.blogspot.com. Also on the blog is a link to the slideshow Val gave at REI that summarizes past trips to Nepal and talks about Room to Read and the fundraiser to build a school in Nepal. The trip website: Through International Mountain Guides (the logistics provider): www.mountainguides.com/everest-south08.shtml.

[Editor’s Note: the Chinese plan to run the Olympic torch to Everest’s summit greatly affects this trip. It is believed other CMC members are on the trip, but exact information was unavailable at press time. More reports to follow.]
Chair’s Report

The following are the highlights of activities in the Boulder Group over the last month:

- Bill Strathearn, the CMC Interim Executive Director, attended our March Council meeting. We had a good discussion with Bill about various topics including membership renewal notices. We mentioned a few things that we’d like the state office to implement with membership renewal notices so that all CMC groups will benefit from them. These include restoring the membership renewal date on mailing labels (i.e., for the Compass) and emailing members 60-days and 30-days prior to their receiving a membership renewal form in the mail. Bill took this back to the state office and these initiatives are in the process of being implemented! Thanks to Bill and the state office for doing this.

- Congratulations to Amy Slaymaker for being approved as a Group II Rock Leader! Group II climbs include those that are rated 5.6 and 5.7.

- Thanks to the efforts of our Outings Committee members and Outings Chair, Gary Schmidt, we have many trips offered in the May-July Activity Schedule. That includes 29 A/B hikes, 27 rock climbs and 15 C/D hikes. Note that we’re a little low on C/D hikes and encourage current C/D trip leaders to submit more trips. Or, if you’re interested in becoming a C/D leader, please consider applying! See the article in this Compass on the new “Trips” section in the website.

- Jim Groh’s Boulder hiking book team has chosen their hikes to write about and have made writing assignments.

- At the recommendation of our Conservation Chair, Kristyn Kilfoy, the Council voted to award Wildlands Restoration Volunteers a $3000 grant for their projects in 2008. For more info on the grant process, go to www.cmcboulder.org/conservationProcess.html.

Respectfully submitted,
Brenda Leach
Boulder Group Chair

Monthly Program: Women in Corsica, May 1

On Thursday, May 1, 7 pm, join us for a slide show of Jean Aschenbrenner’s and Teresa Gergen’s 9-day hike of the mountains and coast of Corsica. Afterwards stick around for discussion and for networking between women in mountaineering.

CMC Orientation for New Members, May 21

You are welcomed and encouraged to come and share your experiences with the club with new or prospective members. The program by Bernel Sawyer will cover all the club does – hiking, camping, peak bagging, rock climbing, snowshoeing, cross country skiing – so you are free to choose where you would like to contribute! Suggestions welcome! Please feel free to invite your friends. All free. Time: 7 to 8:15 p.m. Wednesday, May 21; BCMC Clubroom, 633 S. Broadway (around from Neptunes). For details: (303) 554-7688 and also check cmcboulder.org for directions and our online calendar of events.

June Monthly Program: Hiking the Fjords of Norway

Wednesday, 6/11, 7pm: Join us in the clubroom for a presentation by Ann Stevens. She’ll talk about hiking on the Sognefjord (the longest and deepest in the world); the Hardanger Fjord (many national traditions preserved in this area) and Sorfjord from the coastal town of Bergen. The presentation will also include hiking into some of the Norwegian National Parks, sampling their food and learning about Norwegian customs.

Volunteers Needed

Monthly Program Director Sought

The Boulder Group would like to restart our Monthly Programs, historically held in the clubroom on the 2nd Wednesday of each month. Many thanks to Bob Guthrie for his several years with this effort. The duties of the Monthly Program Director include finding and booking interesting presentations, getting the word out on the presentations and setting up the clubroom, possibly including a social hour before the presentation. You’ll have a team of Marketing Committee volunteers to help you out. This is a great way to meet some really exceptional folks! If you’re interested, please contact Brenda Leach at chair@cmcboulder.org or 303-525-3660.

New Compass Editor Needed

The search is on for a new editor for the Compass. This could be your chance at an exciting, challenging and stimulating opportunity to learn valuable journalistic skills “on the job” in a position that is central to the information clearinghouse for the Boulder CMC. Applicants should have some experience with the Club, the responsibility to deliver a monthly newsletter, and a desire to help the Club grow; some computer acumen helpful. If interested, please send an email to compass@cmcboulder.org.

Mailing Party: May 22

Come to the Clubroom and help mail out the June Compass! This is a relaxed way to meet people and give something back to your favorite club. The next issue will be ready to mail on Thursday, May 22, at 5:30pm, so please just drop in. Phone Sheila at 303-554-7688 for more information.
May 2008 Trips & Activities

May Trips, from page 4

as participants desire. Early start with the intention of getting to the meadow near dawn in order to capture that magical golden hour. Moderate pace to the meadow with casual pace the balance.
Boulder Trail Mileage:11 Elevation Gain:2300 Drive Distance:58 Topo Map(s):Panorama Pk Leader:Tom Crossman 720-494-1732 tom@crossman.org Trip#4962

Tour the Monastery Area Climb
Spend a day pulling on crystals in this remote but very scenic sport climbing area west of Loveland. The huff and puff hike is worth it. We’ll do a number of routes in the 5.7 to 5.10 range. If you’re really brave there are some 5.13’s and 5.14’s put up by Tommy Caldwell. Boulder Leader:Gary Schmidt 970-481-1048 gsch@frii.net Trip#5173

Saturday, May 31

West Creek Falls Moderate A Casual pace
Trek to photogenic waterfalls in NE RMNP. Calypso orchids, shooting stars and clematis vines will be in bloom.

Dragontail Couloir Moderate D-E Semi-tech Moderate pace
Steep snow climb, with possibility of some rock climbing. Previous steep snow experience required. Helmet, ice axe, harness, crampons required. This is a technical climb. Boulder Trail Mileage:6 Elevation Gain:2540 Drive Distance:90 Topo Map(s):McHennis Peak Leader:Todd Nelson 303-417-9166 toddlnelson@comcast.net Trip#5620

Crevasse Rescue Class, May 28

It’s that time of year again to brush up on your glacier travel skills before heading to Mt. Rainier, South America, Denali or other mountains around the world where crevasses pose a danger! The ACRS Seminar includes a lecture, field day, and detailed workbook. The lecture will be held at the CMC clubhouse on Wednesday, May 28th. We will be reviewing knots, safe glacier team travel, and various rescue techniques including the “C” & “Z” rescue pulley systems.

The following Sunday, June 1st, we will simulate crevasse conditions by hanging victims over a cornice on top of Love-land Pass. There will be lots of hands-on practice for students performing as rescuers and victims.

Cost of the seminar is only $35.00 for Denver members, and $10 more for members of other CMC Groups. This seminar is open to HAMS graduates and those with comparable experience; this is not an introductory course. This course is intended to be a detailed and complete review of glacier travel and crevasse rescue.

Deadline for sign-up is Wednesday, May 14th. If you have not taken the CMC HAMS School, or you have questions, please contact the leader for permission to participate prior to registration: Brendan Oldham, 303-810-6014, brendan_oldham@yahoo.com.

Editor’s Note, from page 1

the state office is Anya Byers, hired as the Recreation Planning Coordinator. She’ll be working in the Conservation Department under Bryan Martin, and will be representing the CMC’s interests at events such BLM public planning sessions. As we all know, with the increased development pressure on public lands all over Colorado, this input is much needed! Welcome aboard Anya!

Heart of Europe trip, from page 6

will climb Mount Snezka (5,256 feet) in this National Park, the high point of Czech Republic. The cost of trip includes lodging in hotels and huts, transportation in Czech, breakfast and some meals. The price does not include airfare or travel insurance. Final cost will depend on currency exchange. B/C Level hiking required. Maximum participants is 15. For more information contact the trip leaders, Renata and John Collard. Dates: May 23 - June 6, 2009, Cost: $1950. Contact: 303-617-4773 or Renata.Collard@uchsc.edu

“Free Heeler’s” Loveland Party: A Tradition Continues

The “Free Heeler’s” party tradition continued April 5 at the Loveland hut at the top of Lift #2, much to the enjoyment of the small crowd who attended. Mike Miller had organized this event for years, but was not in town this time, and asked Ray Meng and Linda Johnson with the Denver CMC to take it on. With some help ferrying loads up the lifts to the hut on the slope, all went well. I enjoyed meeting other CMC’ers there, and taking in the grand view of Loveland Valley from the woodfire stove heated hut. For a small charge ($6) to cover costs, it was a fine way to take lunch on the slopes. For your future reference, you don’t have to be a telemarker to partake!

Bastille Crack II Climb
Afternoon Climb 5.7
This is truly an Eldorado Classic! Climb 5 pitches of cracks ranging from hand jams to finger cracks up the nearly vertical Bastille Wall. Boulder Leader: Irina Overeem 303-735-5486 Overeem@Colorado.edu Trip#5654

Wednesday, May 07

Afterwork Social Hike Moderate A
On Trail Casual pace
A relaxing, slow-to-moderate paced, 2 to 3 hour hike close to Boulder. Don’t call just show up before 6:00 pm at the Boulder Group Club Room (Behind Neptune Mountaineering and above the video store at Table Mesa and Broadway). Be prepared for any weather with good footwear, water and a light. Optional after-hike food and drink. Trail Mileage:4-6 Elevation Gain: 100-1000 Drive Distance: 1-10 Boulder Trail Mileage:5 Elevation Gain:600 Drive Distance:5 Topo Map(s):Boulder, Eldorado Springs Leader:Steven Haymes 303-444-4765 Trip#5393

Boulder Direct I Climb
Wind Tower 5.5
Friction your way up a large boulder and then work your way up two pitches of cracks through a hole in the top. This is an excellent beginners climb. Boulder Leader:Jean Aschenbrenner 303-786-9411 Trip#5678

Thursday, May 08

TOP TEN Classic Flatirons Tour
Special Organizational meeting
In 1987 Gerry Roach published a book entitled “Flatiron Classics” A Guide to Easy Climbs and Trails in Boulder’s Flatirons. Of the over 250 routes described in this book, 52 are rated CLASSIC, and ten selected routes are rated TOP TEN Classic. The book has been out of print for some time, but the classic routes remain. In 2008, the Boulder Group will celebrate this guidebook and the Flatirons by doing each of the TOP TEN classic climbs. Each of these climbs is flagged in the schedule as *Top Ten Classic*.* Attend this meeting to learn more about the book, the Flatirons, and how you can participate in these climbs. Boulder CMC Clubroom at 7-8pm, no signup required. Boulder Leader: Tom Wilson 303-247-1450 amns@cmcboulder.org Trip#5632

Friday, May 09

Homestead Meadows Easy B
Hike back into fascinating history, visiting several homesteads. Observe many artifacts and learn the culture and lifestyle of our early settlers, circa late 1800s-1918. Photo Hike  Moderate pace
This trip is a photographer’s delight with many old homesteads to capture. Hike up Lion Gulch. We’ll explore and shoot as many of the old homesteads and scenery

Continued on page 5, May Trips
Book Review: Cairns

Cairns is a delightful book of poetry about landscapes of the West, family, love and finding meaning in life in contemporary society based on a deep connection to the Earth. The author is Chris Hoffman, a Boulder CMC member. It seems an appropriate book to review in the Compass because it deals so closely with Nature, in settings that will be familiar to many: raft trips through the Canyonlands, backpacking in the Mt. Zirkel Wilderness, communing with animal spirits and ghosts of the Anasazi, and sea kayaking. Arresting phrases capture natural images so naturally you know the author has deeply experienced them: “O to go boyant on the liquid muscle of the sea...” or, experiencing the desert's vastness: “Go there/For the nothing that is there.” Just as many of us find refuge and rejuvenation through our outdoor activities, reading through these poems was similarly healing and strengthening. Most are written in loose, free-form structure, easily followed, but there are a few tightly rhymed, a few prose paragraphs, a few amusements thrown in, a few haiku-like. Altogether, it was quite enjoyable to find a contemporary author finding deep satisfaction from Nature and a reverence for life, intuitively seeking meaning and stability in these modern times, and conveying it so well.

Trip to the Heart of Europe

CMC Adventure Travel trip from Prague to National Parks of Czech Republic

This trip is for those who would like to explore nature, culture and history in a tiny country located in the center of Europe. As a native from this country, the leader selected a variety of attractive destinations and hikes in different National Parks. We will start by discovering the beauty of Prague. On the way south, we will visit one of the most beautiful towns in Europe, Cesky Krumlov. We will travel to Sumava National Park and hike in a pristine forested mountain range with deep dark lakes and fascinating moors. We will stop to see world famous Pilsner Urquel brewery as beer is an essential part of Czech culture. We will explore sandstone formations in Nature Reserve Czech Paradise, famous among local climbers. We will traverse the Krkonose mountain range and stay in a well equipped hut on the ridge. We
